HIM INTERNATIONAL
SCHOOL

Ranked as No. 1 School in Arunachal Pradesh By Education World (India School ranking 2018-19)

@HIM ...

A joyful educational environment where your **CHILD** feels Safe, where your child is **IMPORTANT**, where your child is Loved, and where **YOU AS A PARENT ARE TREATED LOVINGLY** too.

We help our students to be **Happy!**

We believe the object of teaching a child is to enable him to get along without his teacher later in life, our teachers can change lives with the right mix of chinks and challenges. We help students to be **Independent!**

Our aim is to provide each child with education in a happy and structured, play environment by means of a stimulating and interesting program. Our teaching pedagogy ensures that every child develops the ability of 'learning to learn'.

We help students to be **Motivated!**

From the Chairman's Desk ...

I have always believed that there is a leader in every child; and that every child has a right to realize what is in her or him. If we have to make future leaders then schools are the places to help each child to discover their inner potential, acquire leadership skills and to get equipped with knowledge and capabilities. I wanted to build a school with a difference. HIM International School was a dream realized through the efforts of education professionals and my own devotion. My idea is to build one of the best school of India in the picture perfect state of Arunachal Pradesh. With world-class facilities and state-of-the art infrastructure, HIM International School is going to put Arunachal Pradesh in the heart of the country.

We aim to provide every student an unburdened childhood, replete with positive learning experiences that enhance their creative and technical skills. The role of parents cannot be overemphasized and our Team at HIM is committed to partnering with parents to raise the next generation of leaders.

Entrusting your child to HIM, is promising the child a class of committed teachers and joyful learning. I invite you to visit our campus and interact with the school community to discover the spirit of HIM International School and make an informed decision about your child's future.

- Nannu Wahge

From the Principal's Desk

Dear Parents and Students,

Welcome to Him International School.

I am delighted and proud to be the Principal of this prestigious institution.

Established in 2017, Him International School is run under the aegis of Wahge Educational Trust with the vision of providing state of the art educational facilities by blending both modern and traditional concepts, methods and values.

At HIM, we believe that our academics are at the heart of the communities they serve. This is why we are committed to delivering and outstanding education to all our students.

Our commitment to this community is to lead the school with enthusiasm and passion to enable us to reach our goals.

We will continue to develop and enhance a school that:

- . Focuses on wholesome development of a child.
- . Strives for the highest academic standards.
- . Reflects the values of its community.
- . Has a personalised curriculum for each child.
- . Involves the community in learning.
- . develops true partnerships that value each child.

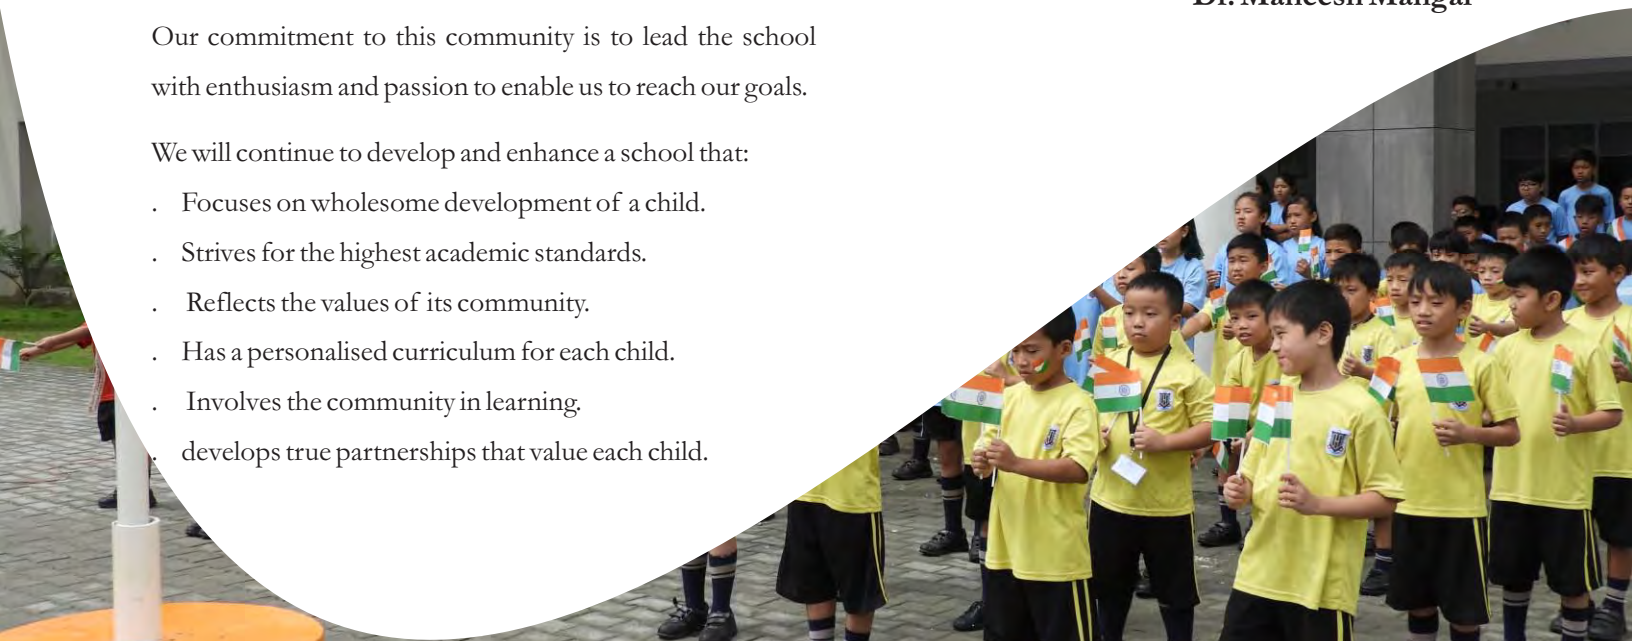

The HIM family takes pride in being ranked, The No.1 school of Arunachal Pradesh by " Education World All India School Ranking"

We look forward to enriching our school community with fresh faces, renewed spirit and new families.

I have an open-door policy and urge all parents to take this opportunity to discuss any issue with me so that we can move forward together.

We truly have a fantastic school with supportive and involved parent community, dedicated and highly skilful staff, excellent resources and infrastructure and the most fantastic students to work with.

Our Academic Programme

HIM International School a co-educational residential & day school provides a stimulating academic program that emphasizes individual conscientiousness and respects individuality in its creative inference.

The school-curriculum, a blend of the best in National and International Curriculums is aligned to current understanding of learning and teaching. It focuses on developing the whole child, individualizing student support, giving students a global and local perspective, developing skills for the future and nurturing the gifted and talented students. It not only facilitates seamless progress from formative years through schooling while ensuring smooth transition from one curriculum to the other but also encourages students to be active learners who explore, understand and participate in the world around them. It lays conscious effort towards inculcating non-cognitive skills such as leadership, conflict resolution, self-discipline and ethical decision-making in tandem with technical abilities vital to excel in professional pursuits.

The School is going to be affiliated to the Central Board of Secondary Education (CBSE).

Acres of Joy - The Campus

The school building features contemporary architecture set in a sprawling 18-acre campus. The design philosophy is to provide appropriate spaces for exciting learning and adequate interaction among school community.

Manicured lawns and evergreen plantations add to its grandeur. Beautiful structures have been erected with liberal use of glazing and inter-arch roofs.

The Infrastructure - Facilitating Education

Smart Classrooms

Our classrooms are spacious and well-ventilated with ample natural and artificial lighting. Ergonomically designed furniture, a combination of white boards, display boards, teaching aid displays and LCD projection equipment, facilitate the learning process. All class rooms are air conditioned and equipped with Interactive Smart Class Boards.

Laboratories

Laboratories have been set up to get live experience in the science and social science lessons. In keeping with the requirements of a contemporary and progressive educational institution, we have a fully equipped air conditioned lab for Science, Computer and Language.

Computer Laboratory

Large number of computers for students are interconnected through our Local Area Network to conduct classes. Both theoretical classes and practical classes are held. Students are trained to operate the computer themselves.

Language Laboratory

It caters to Foreign and Indian Languages. This has audio-visual equipment for pronunciation, listening skills, presentation skills and interactive language learning activity.

Science Laboratory

We are equipped with ultra modern Laboratories with technological models and tools to inculcate interest in Physics, Chemistry and Biology and develop scientific temper in students.

Mathematical Laboratory

This a novel concept which enables students to learn and explore mathematical concepts and verify mathematical facts and theorems using technology tools, Wi-Fi system installed and a dedicated Internet leased line with optical fibre network across the campus facilitates the use of laptops other equipment.

Amphitheatre

A large Amphitheatre, which will be used for stage performances, slide shows or video projections.

Seminar Half Audio-Visual Room

A fully air-conditioned facility; it is equipped with a Computer, a Projector, wired/wireless mike and a stereo system and screen as well as artificial lighting. This will be used for principal-parent meetings, guest erected to exacting lectures by various experts, seminars, prestigious inter-school events as well as House Competitions like debates, quizzes, declamations, extempore speaking and elocution, thus aiding in enhancing knowledge, confidence and motivating is the students to become excellent orators.

Activity Centre

This one of its kind Activity Centre facilities for diverse visual and performing arts. The performing arts wing is fully air conditioned and has excellent sound proof studios for different activities. The creative art wing housing numerous well lit art studios for painting, crafting, sculpturing etc.

Library cum Resource Centre

There is a computer aided referencing system, which enables students to rapidly locate books of their choice As part of the focus on e-learning, students are encouraged to use the Internet and to access online International libraries for information.

Euphoric Environment

Students benefit from our various socio cultural exposures as well as self- confidence and personality building activities.

Him International School seeks to create a stimulating learning environment that both supports and challenges the individual child. As they grow, children develop the qualities of hard work, good manners and self-discipline. Most importantly, they come out as self assured and confident.. They must learn and teach to co-exist and become co-leaders in their movement and pledge for peace progress and prosperity of their society.

House System

The House System has a special relevance at HIM. The school is divided into four houses - LOHIT, SIANG, KAMENG and SUBANSIRI and these are in the name of the four most prominent rivers of Arunachal Pradesh. Here at HIM we believe education as a continuous flow of knowledge among the teachers and pupils which rejuvenate young minds as rivers rejuvenate life surrounding there ways. It is a structured community within which students develop the feelings of loyalty, responsibility of living in a family and practice leadership. The houses compete regularly in a wide variety of fields like debates, quiz, dramatics, dance, music, sports etc. In fact, these activities encourage them to exploit their hidden talents.

Clubs and Societies

The school offers various clubs and societies like Archery Club, Karate-Kick Boxing Club, Badminton Club and Music Club are already functional to inculcate wide range of hobbies and interest among children. The range clubs and societies are going to be increase more in number such as Skating and Local Craft are about to be introduced.

Celebration of Festivals

Our students are groomed to be modern as well as

traditional in outlook. We are proud and appreciative of our rich heritage by celebrating festivals like Rakshya Bandhan, Diwali etc. We also celebrate socially relevant festivals like International Yoga Day, Teachers' Day, Children's Day, Vigilance Awareness Week. Thus, we celebrate all festivals with equal reverence and fervor.

Treks and Tours

Educational tours of historical or geographical nature are regularly conducted. These trips impart knowledge about cultures customs & traditions, flora & fauna. The school takes advantage of its splendid location in the foothills of the Himalayas to arrange adventure camps and treks. The activities include exploring, trekking, camping, rafting etc. We believe this builds confidence, teamwork and trust. It's indeed, a great way of preparing students for the future. School transport is available for educational and weekend outings. Each transport is equipped with first-aid kit and all possible safety measures are taken.

Creative Endeavor

HIM provides opportunities galore for creative writing, debates, elocutions and story telling, which improves oratorical skills, confidence and eloquence in public speaking is tenderly nurtured. They are escorted to witness various programmes and sent to represent the school in co-curricular events. Regular audiovisual sessions are held to enrich students exposure.

Enriching Opportunities

Students benefit from our exceptionally strong provision in Sport and the Arts, plus a wealth of extracurricular activities.

Sporting Spirit

Our Sports System helps to incorporate a team spirit, encourage competition and recognise individual student achievement in its widest sense. The development of mind and body go hand-in hand and therefore, sports are an integral part of our education. Students are encouraged to participate in various intra-school and inter-school tournaments.

For Day as well as Residential students, there are provisions for various sporting activities,

which includes, judo (for self-defense), lawn-tennis, table tennis, badminton, basketball, volley ball, carom, chess, football, cricket. and swimming pool (under construction) . To improve respective sports, we have qualified physical education teachers and coaches who impart invaluable tips to students to hone their skills.

Story Telling

We have special story telling sessions with our students where we invite eminent personalities of our society to share folk tales and history of our tribal culture. The objective of this initiative is to create an awareness of our cultural, historical and traditional values. These sessions help the school children develop an attachment with the history of human existence, traditional culture and basic human values that existed in the society in ancient times. Such activities also help to promote the indigenous faith and cultural value of the tribal society of Arunachal Pradesh amongst students

Creative Inspirations

At HIM International School, we recognise that children of all ages have a deep well of creativity, and Creative Arts are a particular strength of the life at the school. Students will be given exposure in different types of art & craft, pottery, sculpture, textile, photography etc.

There will be equal opportunities provided to students to showcase their talent in performing arts. Both Western and Indian styles of Music & Dance will be taught in equal measure to students to develop their skills and musical Applications.

Working in Partnership with Parents

At HIM we recognise the importance of working in close partnership with our families for the benefit of all our children. Teachers provide information on homework expectations, procedures and class routines. Letters are also sent out detailing information about special parents meetings, training and class visits.

The school endorses an 'open door' policy and parents are welcome to discuss any issues, problems or concerns with us at any time. However the

Headmistress, coordinator or a senior member of staff is available to speak with you at any time. We are always happy to return phone-calls if parents are not able to come into school. Remember, if

your child has a problem or is concerned about something important, we deal with it as soon as possible.

General 'Meet the Teacher' sessions are organized every year. At these meetings the year team will share classroom routines and expectations with the parents. Later on in the term parents are invited to meet with their child's class teacher individually to discuss their child's progress and agree on targets for learning.

There are regular open days where parents are welcome to view their child's work and look around the school.

Home Living At HIM

Sending children to a residential school is one of the hardest decisions for parents to make. But once you visit our school and experience the unique environment that is protective and attentive like home, world class learning facilities, and friendly staff you will be in no doubt about your decision.

The hostel for both boys & girls has comfortable air conditioned dormitories with adjacent washrooms, common room (with television, newspapers, music systems, computers and indoor games) and a study room for self study. Highly trained wardens and staff will be on the premises and cater to every need of the students. The friendly hostel staff is available round-the-clock to attend to all the immediate requirements as well as to supervise the domestic arrangements. They are by their side to ensure that meals are taken on time, every student goes to bed on time and children who are unwell are taken care of by the resident medical staff.

Dining

We ensure that every meal is healthy, hygienic and sumptuous. An in-house dietician plans nutritious and balanced meals. All meals are prepared in an ultra-modern mechanized kitchen. RO filtered drinking water doubly ensures good health. The professionally qualified mess staff is trained to handle food in a hygienic manner and suitably attired.

Medical facilities

The School has a well equipped Wellness Centre, with a visiting doctor and a trained nurse. All cases of injury or illness receive medical attention. In addition, regular eye/dental and general health check-up records of all students are maintained. We have agreements with good hospitals to provide prompt attention in the event of medical emergencies.

Safeguarding Children

HIM International School is a safe place for children, where our responsibilities for safeguarding children are taken seriously. The school is surrounded by a high security boundary wall reinforced at the top with electrified fencing. CCTV cameras are positioned at all entrances and exits to monitor all activities, without interfering with the privacy of students. In addition, well-trained male and female security guards patrol the area 24x7. No one can enter the premises without proper authorization, which is further verified. A fire fighting system with highly sensitive alarms further strengthens the security.
